Our records show that you have not participated in the following Wisconsin Works (W-2) activities:

<u>Activity</u>	<u># of missed hours</u>	<u>Date of Nonparticipation</u>
_____	_____	_____
_____	_____	_____
_____	_____	_____
_____	_____	_____

Because you have not participated in these activities, your W-2 payment may go down by \$5.15 for every hour that you missed without good cause. Based on the number of missed hours above, your W-2 check may go down by at least \$125. You may be able to stop your payment from going down by this amount if you had a good reason(s) for not participating in your activities.

Your W-2 worker will try to contact you by phone or in person within five (5) working days after the date on this letter to talk about your nonparticipation. If you do not hear from your worker in five (5) working days, **contact your W-2 worker as soon as possible and let him or her know why you did not participate in the assigned activities listed above.** Your worker will determine whether you have good cause for not participating.
